Operating Instructions

Listening to music from a BLUETOOTH device

When pairing a BLUETOOTH device

PAIRING
INPUT
Blue LED indicator

BLUETOOTH device

To pair the system with a BLUETOOTH device (Pairing)
❶ Place the BLUETOOTH device within 1 meter from the Subwoofer.
❷ Press ❽ PAIRING on the Subwoofer.
   The blue LED indicator flashes quickly (: ● :) during BLUETOOTH pairing.
❸ Turn on the BLUETOOTH function, and then select "HT-RT3" after searching for it on the BLUETOOTH device.
   Perform this step within 5 minutes, otherwise pairing mode will be canceled.
   When the BLUETOOTH connection is established, the blue LED indicator lights up (●).
   If passkey is required on the BLUETOOTH device, enter "0000".

To listen to music from the paired device
❶ Turn the BLUETOOTH function of the paired device to on.
❷ Press INPUT repeatedly to select "BT".
   The system automatically reconnects to the BLUETOOTH device it was most recently connected to.
   When the BLUETOOTH connection is established, the blue LED indicator lights up (●).
❸ Start playback on the BLUETOOTH device.
❹ Adjust the volume.

When using One-touch connection (NFC)

Blue LED indicator

❶ Hold the remote device near to the N-Mark on the Subwoofer until the remote device vibrates.
   When the BLUETOOTH connection is established, the blue LED indicator lights up (●).
❷ Start playback of audio source on the remote device.
• Compatible remote devices
  Remote devices with a built-in NFC function
  (OS: Android™ 2.3.3 or later, excluding Android 3.x)
